Ambit Energy electrifies support for your cause!

Ambit Energy helps you raise money month after month after month after month after month after month ....

Your fundraising drive has never seen an income-earning opportunity like this.

You can raise money for your cause by helping people in your community save money on their monthly energy bills. You'll earn continuous fundraising revenue simply by helping your families, friends, neighbors and community leaders save money on a service everyone needs and everyone uses — energy!

Ambit Energy makes it easy to offer energy.

Your organization receives a personalized website to help your supporters enroll themselves quickly and easily online. Ambit supplies the energy, Customers pay their bills and your organization receives ongoing revenue.
